Sustainability Statement

It is The Comfy Workplace's policy to conduct its business in a manner that minimises risk to the environment, its employees and members of the public and in compliance with all relevant environmental legislation.

The Company is not engaged in any process that poses major environmental hazards and, accordingly, the main focus is on the following issues:

- Working and engaging with Manufacturers, Suppliers and Installers who are like-minded
- Shared investment in products and systems with long life cycles
- Utilisation of sustainable forestation in manufacturing
- Reduce, reuse, and recycle methodology
- Utilisation of organic compounds rather than solvents and chemicals
- Reduction of emissions in processing and transport
- Maintaining Environmental legislation including ISO 14001
- Reducing Carbon Footprint wherever possible
- Providing our clients with sustainable service options to reuse and/or recycle extinct products
- Maintaining a clear link between the Environment, Society and Economics for the benefit of all
